The gym is accepting donations throughout the month for the MCHS.

By Susan Sullivan

FAIRMONT -- For the third year in a row, a Fairmont gym is focusing on adoptable animals during the month of November.

Fairmont Fitness hosted an Adoption Day in conjunction with the Humane Society of Marion County Saturday.

Any money collected is going toward operating costs at the shelter - an expensive endeavor.

It also is holding a special three-hour aerobics session each Saturday in November for a donation to the Humane Society.

"[The Trainer] got such great response the first time they did this," co-owner Jerry Gardener said. "How could you not continue it, you know?"

Fairmont Fitness is accepting food, litter, toys, and blankets for donation.

You can drop off donations for the Humane Society and its no-kill shelter through the end of November.
